

FUNCTION 360

YOUR PERFORMANCE INNOVATION CENTRE

PROTECTING OUR STAFF AND OUR PATIENTS

- Professional cleaners will regularly perform deep cleans
- One Physiotherapist or Osteopath working in the clinic per day
- Staff PPE
- Cashless payments - only online payments prior to appointments
- One patient in, one patient out policy - 15 minutes between each appointment
- Reception door and window will be left open to ventilate
- Treatment room windows and doors will be left open to ventilate when not in use
- Patients encouraged to wear a face mask/face covering while in the building
- Patients to arrive no earlier than 5 minutes to your appointment start time
- Temperature to be taken prior to entering the clinic
- Gym equipment, towels, pillows and couch covers will not be used
- If pillows MUST be used for treatment, pillow covers will be changed between appointments
- Disposable, single use, couch roll will be used on the couch
- During the consultation part of your appointment you will be able to sit a minimum distance of 2 metres apart from your therapist
- All touched surfaces will be disinfected after every appointment
- Staff and patients to wash hands or use hand sanitiser before entering the clinic, after an appointment and/or leaving the clinic. Hand sanitiser is freely available in the clinic

**• PPE • Frequent handwashing • Frequent sanitising
• Frequent disinfecting • Social distancing • Ventilation**
